

On September 8, send an advocate for Canadian culture to Ottawa.

ADVOCATE for Canadian culture
.....

• Conservative Party Candidate •
.....

Prime Minister Harper's vision of
Canadian culture is to:

- **Put commercials on CBC radio, or sell it to the highest bidder**
- **Allow foreign corporations to own and control Canada's media**
- **Cut programs that promote Canadian culture at home and abroad**

If you love this country and our cultural sovereignty, please vote for a candidate who will advocate for Canadian culture on Parliament Hill.
